Warm Springs 8th Grade Visits MHS Library May 23

By Donna Phillips, Reporter

On Friday, May 23, students from the Warm Springs Eighth Grade visited the Manchester High School library to become familiar with the facilities where they will attend next year. Accompanying these students were Mrs. Elva Thompson, eighth grade homeroom teacher, and Oscar Gilbert, school principal.

The students were greeted by some of this year's and next year's library assistants. As they entered the library, Ruby Thrash presented them with a program prepared by MHS library assistants.

Miss Webster talked informally about the library and what they may expect next year.

Brenda James and Charlotte Turner pointed out where various kinds of books could be found.

Library Assistants Gloria Miller, Charlotte Turner, Brenda James and Judy Partridge helped show the students around, explaining the arrangement and contents of the library.

If you plan a car trip or camping vacation with the family, here's a packing tip that will save a lot of time and trouble later. First, for easy washability on the road, choose outfits that are all-cotton. Pack one whole outfit for each chile . . . cotton pants, shirt, underwear, socks . . . in a plastic bag and write the child's name on the bag. Then put all of the plastic bags in one big suitcase.
